## Construction and Motorist INFORMATION

**April 2023 - November 2023**

## When Will This Be Done?

**Phase I** is scheduled  
April - August 2023

**Phase II** is scheduled  
August - October 2023

**Phase III** is scheduled  
November 2023

## How Will Traffic Be Affected?

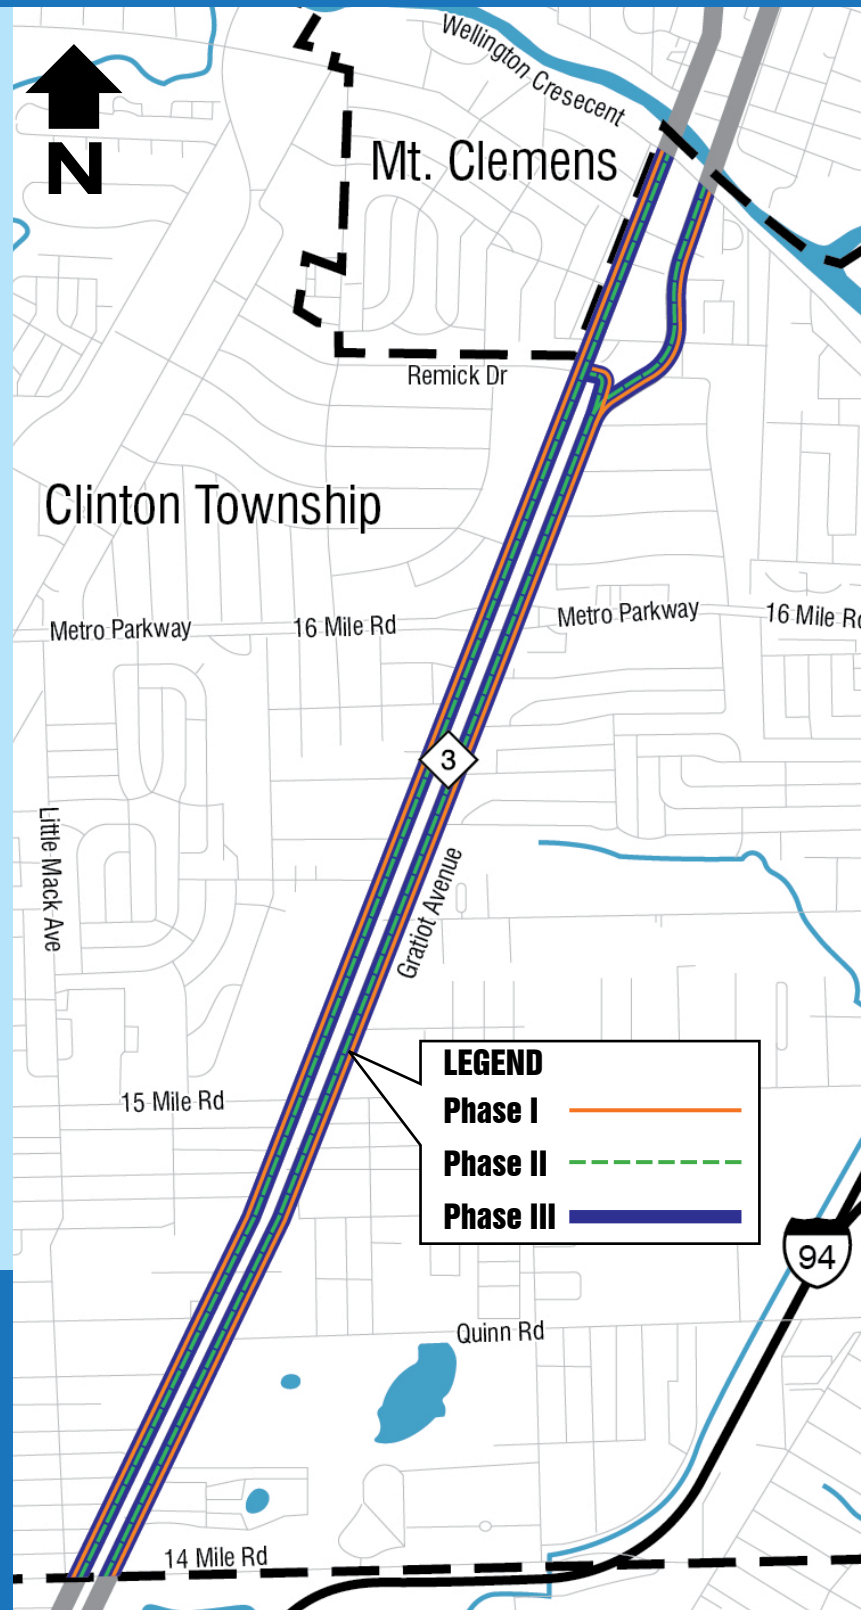

Two lanes will be open in each direction, weekdays from 6 a.m. to 8 p.m. throughout the project limits, with the exception of Remick Drive to Wellington Crescent and occasional nights and weekends where traffic will be reduced to one lane.

On NB M-3 from Remick Dr to Wellington Crescent, intermittent night time full closures may be required and a detour will be posted.

Work will occur day and night. Business and pedestrian access will be maintained throughout the project.

## Long-term Benefits

The project will extend the life of the roadway and allow for better traffic flow along M-3 through Clinton Township and the surrounding municipalities.

## What is Being Done?

The Michigan Department of Transportation (MDOT) will be resurfacing 3.3 Miles of M-3 (Gratiot Avenue) in Clinton Township. The project will be completed in three phases:

### Phase I

#### 14 Mile Road to Wellington Crescent Right Two Lanes (NB and SB)

##### Resurface:

- Asphalt Roadway

##### Replace:

- Intermittent Curb and Gutter Replacements
- Signs
- Install modern signals
- Improve ramps and sidewalks to be compliant with the Americans with Disabilities Act (ADA)
- Begin reconstruction of median turnaround on NB M-3 at Remick

### Phase II

#### 14 Mile Road to Wellington Crescent Left Two Lanes (NB and SB)

- Same as Phase I
- Complete reconstruction of median turnaround on NB M-3 at Remick

### Phase III

#### All Lanes

- Place top layer of asphalt roadway
