On Wednesday, July 14, 12 Mile Road will be closed at M-3 through late July. Only local traffic will be allowed on 12 Mile Road between M-97 (Groesbeck Highway) and I-94.

During this closure, contractors will be replacing water main, sewers, curb and gutter, and pavement at the intersections. For more information about this project, visit www.MovingMacomb.org/.

This project will result in a smoother driving surface on Gratiot Avenue. New sewer systems will also improve drainage throughout the corridor. Both of these improvements will result in better ride quality and increased safety for motorists and pedestrians.
